

BOYS & GIRLS CLUBS
CALIFORNIA ALLIANCE

The California Alliance of Boys & Girls Clubs unites more than 1,000 Club locations across the state to create Great Futures for youth.

By fostering collaboration, promoting public awareness, and distributing critical funding, the Alliance amplifies the impact of individual Clubs as they provide essential services to our youth—especially those who need us most. From social-emotional support and academic programs to healthy meals, Clubs do Whatever It Takes to empower young people to become the leaders our communities need.

Community partners play a vital role in this mission, helping us ensure every child has the opportunity to learn, grow, and thrive.

PARTNER WITH US

The California Alliance of Boys & Girls Clubs invites you to sponsor our annual Youth of the Year scholarships and gala. The latter is a celebration honoring the state’s most inspiring teens and their incredible journeys.

Sponsors will have the opportunity to join us in Sacramento where nine California Youth of the Year finalists will meet with their legislators, compete to be state spokesperson, and participate in an announcement luncheon where top state executives will be interviewed by youth. All youth finalists will receive scholarships.

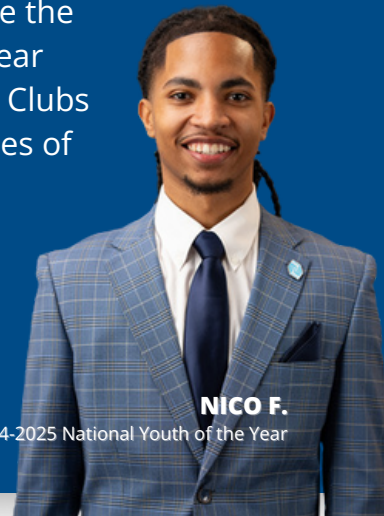

What is Youth of the Year?

For more than 75 years, the Youth of the Year program has recognized young people for their outstanding leadership, service, academic excellence, and dedication to health and wellbeing.

Youth of the Year is the highest honor a Boys & Girls Club member can receive. The youth selected to be the National Youth of the Year represents Boys & Girls Clubs of America and the voices of millions of Club youth.
